

# Make a patterned clay bowl

① Pick up a small ball of clay

② Squash it flat with fingers

It should be somewhat round

③ Roll it flat (1/8" thick)

④ Trace out circle using yogurt pot

⑤ Carefully lift circle off of surface

⑥ Press stamp onto ink pad, and then press onto clay to create pattern

⑦ Carefully lift circle off of surface again

⑧ Drape clay over yogurt pot (printed side toward pot)

⑨ Press clay to form it over pot

⑩ Carefully lift clay off of pot, and smooth edges

**Arts**

Place pot onto index card, and write your name on card.

Pick up bowl before you leave!

Clay will dry overnight.

Bowl is not safe to use with food. It is not waterproof unless sealed.
