Happy Valentine's Day

♥ Verse

As Valentines go out today
To people near and far,
I'm sending this one right to you
To say how nice you are.

**Because we do
All things together,
All things improve
Even the weather.**
- Paul Engle

**Do skunks celebrate
Valentine's Day?**

Of course - they're very
scent-imental!

Love is patient and kind;
Love is not jealous or boastful;
It is not arrogant or rude.
Love does not insist on its own ways;
It is not irritable or resentful;
It does not rejoice at wrong,
But rejoices in the right.
Love bears all things,
Believes all things,
Hopes all things,
Endures all things.
Love never ends.

- 1 Corinthians 13: 4-8

**You're crazy,
You're funny,
You're really quite fine.
Please give me your bubble gum,
You're sitting on mine.**

**What did one light bulb say
to another?**

I like you a whole watt!

On Valentine's Day, I think about
The people who are dear,
How much they add to life's delight
Whenever they are near.
You've always been a total joy,
Such pleasant company,
I very much appreciate
Our compatibility!

- Joanna Fuchs

**What do you call a very
small valentine?**

A Valentiny

Happy
Valentines
Day
